- Food and living allowance
- Travel to and from Germany
- Health insurance
- Language support
- some trainings

EUROPEAN SOLIDARITY CORPS

WHAT IS AKTION WEST-OST?

Aktion West-Ost is a German NGO working in international youth work, with a focus on intercultural exchange and cooperation in Central and Eastern Europe.
We organise youth exchanges, trainings, language projects and other international activities together with partners from Germany and other European countries.
Our projects combine: intercultural exchange, creativity, international cooperation, culture, music & languages, sports & outdoor activities

YOUR LIFE IN DÜSSELDORF

As our volunteer, you will:

- live in accommodation near our office
- receive food and pocket money
- have access to German language support
- have your travel costs reimbursed
- receive insurance through the ESC programme

WHAT WILL YOU DO?

30–37 hours per week | January 2026 | up to 1 year
You will mainly work in our office and support our international youth work.
Your tasks may include:

- office and organisational support
- communication with international partners
- translation and text editing
- social media
- public relations
- youth exchanges and international projects
- trainings, workshops and language tandems

You will also take part in two European seminars together with other ESC volunteers and have opportunities for further learning and training.

WE ARE LOOKING FOR YOU IF YOU...

- are 18–30 years old
- are open-minded and internationally oriented
- are willing to learn
- have at least basic German and want to improve
- are interested in international youth work
- enjoy travelling and meeting new people
- are open and sociable

No academic degree is required!

WHAT WILL YOU TAKE WITH YOU?

An ESC experience is much more than living abroad for a year.
You will…

- gain international experience
- build an international network
- learn how to organise youth projects
- develop your communication and language skills
- strengthen your intercultural and social competences
- discover your own strengths and interests
- learn more about European history, politics and culture
